D) Bee City Pollinator Team:

List the members of your Bee City Pollinator Team responsible for the Bee City program at your campus. We recommend a committee of at least two faculty members, several students and campus staff grounds department.

If you have any questions, please contact Shelly Candel - shelly@beecitycanada.org or 647-402-0133.

Please expand table to add more rows as needed.

Name	Role	Email address

E) Your Experiences and Plans (add or remove lines as needed).

1. Briefly summarize your Bee City experience.

2. Please tell us about any campus initiatives focusing on creating new, improving or maintaining existing habitat for pollinators. This could include work on campus grounds and other areas. If possible, include a plant list.

3. Please tell us about any campus initiatives aimed at educating students, faculty staff or the local community about pollinators.

If you have any questions, please contact Shelly Candel - shelly@beecitycanada.org or 647-402-0133.

4. Please tell us about your participation in International Pollinator Week celebrations (if applicable) and other pollinator-themed events. Include photos, web links, stories and any other media.

.

5. How did your campus promote being a Bee City Campus? For example, signage, website, social media, posters.

6. What are your plans for the coming year? Please attach any documents outlining plans for a) habitat restoration, new habitat creation. b) education initiatives and c) celebrations.

7. How can Bee City Canada help to facilitate your vision of a campus community which supports pollinators?

8. We welcome your comments and suggestions to help us improve Bee City Canada, our web site, communications and other areas.

If you have any questions, please contact Shelly Candel - shelly@beecitycanada.org or 647-402-0133.
