rdbenson@nexicom.net

Confirm Email

**Are you the primary contact person? \***

Yes

No Anne Wilson acwilson081995@gmail.com

**B) Your Experiences and Plans for the Coming Year**

**Briefly summarize your Bee City experience during the past year. Please include information about challenges, feedback, and media responses. \***

So nice to meet you last year. Our Bee Year was good - several new experiences, lost 2 hives over winter, but up & running again in spring. Interview with U.C. magazine, local paper. Joined Sustainable Peterborough - new contacts.

**Describe your plans for creating, improving and maintaining pollinator habitat during the next year.**

Our Garden Committee will be planning more aspects for next year. Neighbours enjoy 'Bee Visits' for water & nectar.

**Describe your plans for educating employees, customers and/or community members about the importance of pollinators and healthy habitats.**

Our congregation is kept informed pretty much year-round. Neighbours visit, even check the bees. One neighbour joined our Bee Team this year, in preparation for having his own hives. (Learning together) Teen-age came for the delivery of new bees - she noticed we lost our hives. Minister & wife have 3 large hives on-site as well.

**Will you be celebrating pollinators during National Pollinator Week (third week of June) or at other times?**

missed it this year; new bees came mid-June

**Do you have any other plans that you have not already mentioned?**

no. Not now, but distribute honey to all attendees.

## C) Media for Events, Activities & Initiatives

**Provide information about any events, activities or initiatives that you have organized and would like highlighted through our social media channels.**

n/a this year. Hopefully Blessing of the Bees next spring
