Please indicate which of the following initiatives your Bee City School community has taken part in (check all that apply):

Creating new, maintaining or improving existing garden beds/ habitat at our school

Planting flowers, vegetables, trees and/or shrubs at our school

Please provide any additional information.

We had a group of students go to Guelph City Hall to present the "BEE CITY" designation to the mayor and city council

Please indicate how your school community learned about pollinators (check all that apply):

Activities at school fair, assembly or other event

Learned while on school trip  Information in newsletter  Other activities

Provide additional information about the previous initiatives or

We had a group of student leaders create a slideshow presentation and hands-on activities about the importance of pollinators that they presented to classrooms

others focusing on education related to pollinators.

Did you celebrate pollinators during National Pollinator Week (third week of June) or at other times?

How did you celebrate pollinators?

Provide additional information about the previous initiatives or others focusing on celebrating pollinators.

What are your plans for the coming year?

How can Bee City Canada help to facilitate your vision of a school community which supports pollinators?

We welcome your comments and suggestions to help us improve Bee City Canada.

Signature

within our school and also at the LSF Eco League in Milton where they were the keynote speakers and workshop organizers for the 2 day workshop!!

Yes

Class presentations

Other activities

We had fun announcements, posters, and classroom presentations for the whole school!

We are planning to expand the pollinator gardens at the front and side of the school. We are hoping to create a student-led assembly about the importance of pollinators for our younger students

With any luck, I can convince some of my students to join the Bee City youth group across the country this year. Has this been successful so far?

Thank you for everything you do!! So nice to see you at the Pollination Guelph Symposium!!

A handwritten signature in black ink that reads "C. Agrestina". The signature is written in a cursive style with a large, rounded 'A' and a long, sweeping tail on the 'n'.
