Are you the main contact for Bee City Canada? Yes

Have you established a Bee City Working Group? No

Please indicate which of the following initiatives your Bee City School community has taken part in (check all that apply):

Creating new, maintaining or improving existing garden beds/ habitat at our school

Starting seeds

Planting flowers, vegetables, trees and/or shrubs at our school

Other activities

Please indicate how your school community learned about pollinators (check all that apply):

Provide additional information about the previous initiatives or others focusing on education related to pollinators.

We work in partnership with our Fenelon Falls Horticultural Society, members come and help us learn.

We have a pollinator garden, we make seed balls each year and throw them in a green space beside the school, we have made bee nests.

Did you celebrate pollinators during National Pollinator Week (third week of June) or at other times? No

What are your plans for the coming year?

We plan to maintain our existing garden.
We plan to make and throw seed balls.
We plan to plant pollinator friendly plants in our front garden at the school.
We plan to continue to educate our "Green Team" and the rest of the school through announcements, posters and front hall displays.

How can Bee City Canada help to facilitate your vision of a school community which supports pollinators?

We would say yes to someone coming to our after school meetings to educate us further.
