How did your community promote being a Bee City?

Through our web site

Please tell us about your efforts aimed at educating your community, including residents, city employees, contractors, children and other groups.

WE have a program for both children's ed and adult ed.

For children, we go into the elementary school and speak in the classrooms and then have the class visit the Garden and work in it for a morning.

For adults we have brochures available at our Kiosk and we attend fairs and host group visits to the garden

Please tell us about your community's participation in National Pollinator Week celebrations and other events.

Above

Describe your plans for creating, improving and maintaining pollinator habitat during the next year.

Our AGM is in March. At that time the Education, Planting, Maintenance, Construction and Fundraising committees will present their plans for the years. The plans will include a major planting of wildflowers, planting of many more shrubs and trees, creation of a Gazebo for sitting and the educational program.

Provide information about any events, activities or initiatives that you have organized and would like highlighted through our social media channels.

Bee City Renewal Fees

Less than 1000 population - FREE

We welcome your comments and suggestions to help us improve Bee City Canada.

We are very tight for cash and use all of our funds for the Development of the Garden. I regret that we can not pay a fee
