Briefly summarize your Bee City experience during the past year. Please include information about challenges, feedback, and media responses.

2019, was the first year for Ajax becoming a Bee City.

We celebrated Pollinator week with a workshop with the community residents and one of the two Pollinator Gardens, topic discussed native plants, maintenance of pollinator gardens.

Please tell us about your community's participation in National Pollinator Week celebrations and other events.

Celebrating National Pollinator week with Community Events maintenance workshop at one pollinator Gardens

Describe your plans for creating, improving and maintaining pollinator habitat during the next year.

Promote Ajax in being a Bee City by including logo in Green event posters and website

Has your City/Town/Municipality created a Bee City website or webpage?

No

Bee City Renewal Fees

100,001 – 250,000 population - \$500

We welcome your comments and suggestions to help us improve Bee City Canada.

Could you provide more information on the Maintenance of Pollinator Garden and Bee Condo. Including other materials we could provide our residents to promote this programs.
