THAT Recreation Report REC-008-21 regarding the Bee City Canada designation be received;

AND WHEREAS the goal of Bee City Canada designation is to promote healthy, sustainable habitats and communities for pollinators;

AND WHEREAS bees and other pollinators around the globe have experienced dramatic declines due to land fragmentation, habitat loss, use of pesticides, industrialized agriculture, climate change and the spread of pests and diseases, with serious implications for the future health of flora and fauna;

AND WHEREAS the Township of Tiny and residents have the opportunity to support bees and other pollinators on both public and private land;

AND WHEREAS supporting pollinators fosters environmental awareness and sustainability, and increases interactions and engagement among community stewards;

AND WHEREAS by becoming a Bee City, the Township of Tiny can highlight initiatives already in place and further engage local communities in an environment of creativity and innovation which will promote a healthier life for our community;

NOW THEREFORE it is recommended that staff be authorized to submit the Bee City Canada Application to designate the Township of Tiny as a Bee City;

AND THAT the Township of Tiny accepts the designation and commits to the standards of the Bee City Canada Program.
