Briefly summarize your Bee City experience during the past year. Please include information about challenges, feedback, and media responses.

More pollinisation places inaugurated and identified
A new place is in preparation

Please tell us about your community's efforts to reduce the use of pesticides.

More exhaustive application of the law

Update of the regulation in course

Outline community initiatives focusing on habitat creation and restoration. If possible, include a plant list.

3 public formation

How did your community promote being a Bee City?

On internet website

Please tell us about your efforts aimed at educating your community, including residents, city employees, contractors, children and other groups.

We are doing activities with kids during the summer, also 2 times with adults last year.

Please tell us about your community's participation in National Pollinator Week celebrations and other events.

We inaugurated l'Oasis de papillon last year dedicated to butterflies and pollinators and a special formation in a communal garden was offered

Describe your plans for creating, improving and maintaining pollinator habitat during the next year.

New parcels are planned
