Briefly summarize your Bee City experience during the past year. Please include information about challenges, feedback, and media responses.

Amazing!

Describe your plans for creating, improving and maintaining pollinator habitat during the next year.

We are committed to being as eco-friendly as possible.

Describe your plans for educating employees, customers and/or community members about the importance of pollinators and healthy habitats.

We would like to guide people to your site for further education.

Will you be celebrating pollinators during National Pollinator Week (third week of June) or at other times?

We would like to share your site and encourage people to donate to save the bees on our social media
