Are you the primary contact person?

Yes

Briefly summarize your Bee City experience during the past year. Please include information about challenges, feedback, and media responses.

We appreciate being associated with Bee City as the 1st Canadian Faith Community member.

Describe your plans for creating, improving and maintaining pollinator habitat during the next year.

We continually try to improve our Pollinator Garden to be more Bee Friendly. It is a work in progress.

Describe your plans for educating employees, customers and/or community members about the importance of pollinators and healthy habitats.

We keep our congregation informed about our Bee Hive News and we work on educating them as well. The community is welcome and encouraged to use our land to explore/watch our Bees and also view out Pollinator garden.

Will you be celebrating pollinators during National Pollinator Week (third week of June) or at other times?

We usually bless our Bees each Spring so National Pollinator Week would be a good time to do this.

Do you have any other plans that you have not already mentioned?

We give each family in our congregation a bottle of honey each Fall! It is always thoroughly enjoyed and appreciated.

Bee Partner Price Tiers

Non-profit - Pay what you can

We welcome your comments and suggestions to help us improve Bee City Canada.

Thank you for allowing us to be a Member of this worthy organization.
